

# WE ARE HIRING! JOIN OUR TEAM!

**WE ARE  
LOOKING FOR  
PRODUCTION TECHNICIAN 2**  
*\$30.76 PER HOUR*

---

Harley-Davidson's Powertrain Operations facility, located in Menomonee Falls, WI, is where the "jewel" of the motorcycle comes to life. Pilgrim Road employees produce engines and transmissions for the final assembly plant in York, PA, as well as transmissions, and replacement parts for sale through Harley-Davidson® Genuine Motor Parts and Accessories business.

## WHAT YOU WILL DO

- Produce machined parts by loading program, setting up, and operating a computer numerical control (CNC) machine(s)
- Maintain quality and safety standards
- Keep records
- Respond to machine alarms
- Maintain equipment and supplies
- Adjust input of computer systems for accuracy of machine operation
- May utilize machine tools, such as lathes, milling machines, and machining centers, to produce precision metal parts

## QUALIFICATIONS

- Ability to read basic blueprints/process sheet drawings
- Ability to use gauging and inspection equipment
- Demonstrated problem solving skills and basic math skills
- CNC Machining Technical Certificate OR 3 years of verifiable machining experience
- Previous experience in a team environment is preferred
- High School diploma or GED is preferred

Join our team as a **Production Technician 2** and help build the world's most sought-after motorcycles.
